## **Guidelines for Selling Your Collection**

Brian's Toys will require a list of your items if you are interested in receiving a price quote on your collection. It is very important that we have an accurate description of your items so that we can give you an accurate price quote. By following the below format, you will help ensure an accurate quote for your collection.

The buy list prices below reflect mint packaged items. Loose items need to be indiciated by you in the Notes column and we will adjust the quote accordingly for what we will pay.

**STEP 1** Before we can confirm your quote, we will need to know what items you have to sell. The below list is is by category.

Search for each of your items and enter the quantity you want to sell in column E (see red arrow). (A hint for quick searching, press Ctrl + F to bring up excel's search box) The green total column will adjust the total as you enter in your quantities. If you have any comments or notes for certain items (for example, the box is opened or damaged), please list them under the notes column.

- $\begin{tabular}{ll} \textbf{STEP 2} & Once the list is complete, save this as an excel sheet and e-mail to buying@brianstoys.com. \end{tabular}$
- STEP 3 If you use this form, we will confirm your quote within 1-2 business days.

If you send us a list but do not use this form, allow 4-7 business days for us to issue you a quote. The price quote you receive back will be good for two weeks only. If more than two weeks pass by, then we will need to reconfirm the prices.

STEP 4 Once you accept the price quote, you will need to ship the items to us. You can drop them off with the label(s) I email you at any UPS location or UPS Store, or for an extra \$5 charge, UPS can pick up at your home.

We will then evaluate the shipment. If there are any problems with the shipment, we will adjust the prices accordingly.

We will then contact you once more with a final price. If you do not find the price acceptable, we will return the items to you at our expense.

STEP 5 Upon agreeing to the final price, we will pay by PayPal or mail a check for the final amount. Please allow up to three business days for us to process the check.

If you would prefer immediate payment by PayPal, please let us know when you confirm the final price. We can pay by PayPal the same day you confirm.

Enter the quantity you have to sell in the column with the red arrow, and the green column will automatically adjust for the total.
