### Guidelines for Selling Your Collection

Brian's Toys will require a list of your items if you are interested in receiving a price quote on your collection. It is very important that we have an accurate description of your items so that we can give you an accurate price quote. By following the below format, you will help ensure an accurate quote for your collection.

1. Categorize your list. Start by separating different toy lines, i.e., Star Wars, G.I. Joe, Indiana Jones, etc. Then divide the toy lines into subsets, for example, Star Wars: Vintage, Star Wars: Power of the Force 2, Star Wars: Episode I, and Star Wars: Power of the Jedi. Then divide each subset into 3 3/4" carded, 3 3/4" loose, 12" loose, 12" boxed, vehicles boxed, etc. Finally, further divide these categories by film or series. For example, Star Wars:Vintage: 3 3/4" Carded: Empire Strikes Back; or Star Wars: Power of the Force 2: 3 3/4" carded: green cards.

Another example, would be G.I. Joe: A Real American Hero: carded: 1985.

2. List all of your items vertically and in alphabetical order. List first the name of the item, then the condition, and then any extra information that you wish to include.

It is our policy not to send out payment until merchandise has been inspected. If you have not dealt with us before and are hesitant to send toys without payment, please feel free to send a test shipment. For instance, if we have offered you over \$2000 for your entire collection, it is okay to send a box worth only \$100 or \$200 (or whatever you feel comfortable with). Once you are familiar with the way we do business, you can send more merchandise.
