

Dear Collectors,

Our Free Items were so popular in January/February we have decided to present a new and even better selection good until April 15! Take a look at Page 3 for details.

We have updated all of our vintage pages and have plenty of new vintage Star Wars AFA and ungraded items, from loose figures and carded figures to playsets, vehicles, and more. We now have introduced a selection of new AFA Qualified, or Blue Label, vintage items. These are items that typically are boxed with new contents, but are no longer sealed. These allow you to collect a vintage item in new condition, verified and graded by AFA, at a reduced price from the traditional sealed (red label) pieces.

The new G.I. Joe Hall of Heroes assortment pictured on the front cover is an internet exclusive, so these will not turn up in retail stores. With the new G.I. Joe movie on the way this August, this is sure to be a hot series. We are also carrying the new Masters of the Universe Classics line, which are also online exclusives. The first several characters from this line have proven to be extremely popular. Check out page 41 for more details. Also, check out the internet exclusive Star Wars Mighty Muggs on the back cover.

Finally, we have exciting new Star Wars artwork by Christian Waggoner featured on Page 47. Christian is a master of capturing reflections in his art. The Boba Fett and Darth Vader artwork offerings on Page 47 are all very limited edition Artist Proofs from the artist himself.

Thank you for your business. If you are satisfied with your experience with Brian's Toys, please tell your friends about us! If you would like to contact me directly with any questions or concerns, please email to [brian@brianstoys.com](mailto:brian@brianstoys.com).

### How does the Star Wars club work?

When you sign up for the One of Each Figure Club, you will no longer have to worry about scrambling to find new figures or pre-ordering the latest series of action figures. As soon as the latest wave arrives, we will charge your credit card and send you one of each new basic Hasbro Star Wars figure for \$9.99 each. This club will only apply for Basic Star Wars figures. It will not include Vintage style, Exclusives, Greatest Hits assortments, Ultimate Galactic Hunt, or other Chase figures. We may occasionally email you to announce when these other new Hasbro items are available, and discounts for these may be available for club members. Basic figures will continue to ship indefinitely as new figures are released. If there are ever any changes to the terms or pricing of this club, you will be notified by email.

### How does the G.I. Joe club work?

This club works just like the Star Wars club above. However, figures are \$9.99 each. It applies only for basic G.I. Joe figures. It will not include Exclusives, Comic 2-Packs, Multi-Figure Packs, re-issued figures, or other chase figures.

### Is there any cost to join?

There is no cost to join the club. We will not charge your credit card until your first wave of figures is ready to ship. You will continue to be charged for subsequent waves of figures as they are ready to ship.

### What Wave of figures will I receive first?

Check our website [brianstoys.com/club](http://brianstoys.com/club) or email sales@brianstoys.com or call (608) 687-7572 to see which wave will be shipping upon signing up.

### What are the shipping and handling charges?

Domestic shipping and handling will be \$9.99 per wave (by UPS Ground) and international shipping and handling will be \$19.99 (First Class Mail International) per wave. When checking out, a shipping charge and a \$2 handling charge will show up in your shopping cart. You will not actually be charged the shipping and handling shown in your shopping cart.

### How early will I receive my waves of figures?

Brian's Toys will make every effort to ship your figures as quickly as possible, usually within several days of receiving our shipment from Hasbro. However, at times Hasbro delays portions of our order. While you generally will receive your wave of figures promptly, at times the wave may be set back due to delays from Hasbro.
