

Dear Collectors,

We had a wonderful Christmas and New Year's with family and friends, and hope you did too! Watch our website and email newsletters for lots of new items as 2010 products are announced in February and March. Star Wars Legacy Wave 7 and 2010 Clone Wars Waves 1 and 2 are now in stock. 2010 Legacy Wave 1 will be in shipping in March/April.

Take advantage of our \$4.99 Flat Rate Shipping and Handling Offer! This offer is good for in-stock orders shipped within the continental United States by April 20. There is no minimum order to qualify. The vast majority of items in our inventory qualify for this offer. FX sabers do not qualify. Also, larger items that incur "oversize" surcharges may not qualify. When checking out of our website, simply choose the shipping method "Promotional Shipping", or refer to this special offer when you call or email to place your order. We may ship your package by FedEx Ground, FedEx SmartPost, or the Post Office by standard mail, whichever is cheaper.

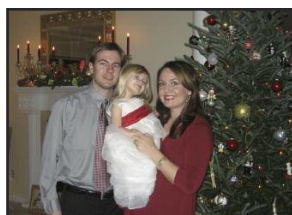

Star Wars Celebration V will be held in Orlando, Florida at the Orange County Convention Center August 12-15. Look for us there!

Take a look at an incredible complete set of all 12 backs plus a Vinyl Cape Jawa AFA 90 and Han Solo Large Head AFA 90 on Page 21! This set contains 9 AFA 85's and 5 AFA 90's. All of the figures are Unpunched!

### How does the Star Wars club work?

When you sign up for the One of Each Figure Club, you will no longer have to worry about scrambling to find new figures or pre-ordering the latest series of action figures. As soon as the latest wave arrives, we will charge your credit card and send you one of each new basic Hasbro Star Wars figure for \$8.99 each. This club will only apply for Basic Star Wars figures. It will not include Vintage style, Exclusives, Greatest Hits assortments, Ultimate Galactic Hunt, or other Chase figures. We may occasionally email you to announce when these other new Hasbro items are available, and discounts for these may be available for club members. Basic figures will continue to ship indefinitely as new figures are released. If there are ever any changes to the terms or pricing of this club, you will be notified by email.

### How does the G.I. Joe club work?

This club works just like the Star Wars club above. However, figures are \$9.99 each. It applies only for basic G.I. Joe figures. It will not include Exclusives, Comic 2-Packs, Multi-Figure Packs, re-issued figures, or other chase figures.

### Is there any cost to join?

There is no cost to join the club. We will not charge your credit card until your first wave of figures is ready to ship. You will continue to be charged for subsequent waves of figures as they are ready to ship.

### What Wave of figures will I receive first?

Check our website [brianstoys.com/club](http://brianstoys.com/club) or email [sales@brianstoys.com](mailto:sales@brianstoys.com) or call (608) 687-7572 to see which wave will be shipping upon signing up.

### What are the shipping and handling charges?

Domestic shipping and handling will be \$9.99 per wave (by FedEx Ground/USPS Standard) and international shipping and handling will be \$19.99 (First Class Mail International) per wave. When checking out, a shipping charge and a \$2 handling charge will show up in your shopping cart. You will not actually be charged the shipping and handling shown in your shopping cart.

### How early will I receive my waves of figures?

Brian's Toys will make every effort to ship your figures as quickly as possible, usually within several days of receiving our shipment from Hasbro. However, at times Hasbro delays portions of our order. While you generally will receive your wave of figures promptly, at times the wave may be set back due to delays from Hasbro.
