

Dear Collectors,

There are a lot of new products coming later this summer! The new AT-AT is incredible. The new 2010 vintage line is very exciting, with over 30 figures coming out this year. Plus Hasbro will continue this line into 2011 as well. The Clone Wars line will also be updated with new figures this summer/fall. Also, the two FX sabers that everyone has been asking for over the last several years, the Luke ROTJ (Green) and Mace Windu, will soon be available as well.

Take advantage of our Free Shipping Offer by June 30! To qualify, you must order over \$75 worth of in-stock merchandise and shipping must be FedEx Ground within the continental United States. FX Sabers and certain large items do not qualify for free shipping. Simply enter the promo code "FREESHIP" when checking out (and be sure to choose the shipping method FedEx Ground). Or refer to this offer when placing an order by phone or email. Go to [www.brianstoys.com/freeshipping](http://www.brianstoys.com/freeshipping) for more details.

We have lowered all FX sabers still available from Hasbro by \$20, except for Yoda which was lowered \$10. You can find our complete FX lightsaber selection and pricing on the back cover.

This issue we have a special 4 page vintage collection section, on pages 16-19. These items are from a very, very large collection that we are assisting with in brokering. These items are not at our office, but can be special ordered for you. There are a ton of rare vintage toys, including numerous foreign items, store displays, and more.

Finally, a reminder that we will be at Star Wars Celebration V which will be held in Orlando, Florida at the Orange County Convention Center August 12-15. If you will be at the convention, please stop by our booth to say hello.

Thank you for your business! If you are satisfied with your experience with Brian's Toys, please tell your friends and family about us. If you would like to contact me directly with any questions, concerns, or feedback, please email to [brian@brianstoys.com](mailto:brian@brianstoys.com).

### How does the Star Wars club work?

When you sign up for the One of Each Figure Club, you will no longer have to worry about scrambling to find new figures or pre-ordering the latest series of action figures. As soon as the latest wave arrives, we will charge your credit card and send you one of each new basic Hasbro *Star Wars* figure for \$8.99 each. This club will only apply for Basic *Star Wars* figures. It will not include Vintage style, Exclusives, Greatest Hits assortments, Ultimate Galactic Hunt, or other Chase figures. We may occasionally email you to announce when these other new Hasbro items are available, and discounts for these may be available for club members. Basic figures will continue to ship indefinitely as new figures are released. If there are ever any changes to the terms or pricing of this club, you will be notified by email.

### How does the G.I. Joe club work?

This club works just like the Star Wars club above. However, figures are \$9.99 each. It applies only for basic G.I. Joe figures. It will not include Exclusives, Comic 2-Packs, Multi-Figure Packs, re-issued figures, or other chase figures.

### Is there any cost to join?

There is no cost to join the club. We will not charge your credit card until your first wave of figures is ready to ship. You will continue to be charged for subsequent waves of figures as they are ready to ship.

### What Wave of figures will I receive first?

Check our website [brianstoys.com/club](http://brianstoys.com/club) or email [sales@brianstoys.com](mailto:sales@brianstoys.com) or call (608) 687-7572 to see which wave will be shipping upon signing up.

### What are the shipping and handling charges?

Domestic shipping and handling will be \$9.99 per wave (by FedEx Ground/USPS Standard) and international shipping and handling will be \$19.99 (First Class Mail International) per wave. When checking out, a shipping charge and a \$2 handling charge will show up in your shopping cart. You will not actually be charged the shipping and handling shown in your shopping cart.

### How early will I receive my waves of figures?

Brian's Toys will make every effort to ship your figures as quickly as possible, usually within several days of receiving our shipment from Hasbro. However, at times Hasbro delays portions of our order. While you generally will receive your wave of figures promptly, at times the wave may be set back due to delays from Hasbro.
