Guidelines for Selling Your Collection			<p>Brian's Toys will require a list of your items if you are interested in receiving a price quote on your collection. It is very important that we have an accurate description of your items so that we can give you an accurate price quote. By following the below format, you will help ensure an accurate quote for your collection.</p> <p>The buy list prices reflect items mint in their original packaging.</p>							
STEP 1			<p>Before we can confirm your quote, we will need to know what items you have to sell. The below list is by category.</p> <p>Search for each of your items and enter the quantity you want to sell in column I (see red arrow). If you have any comments or notes for certain items (for example, the box is opened or damaged), please list them under the notes column.</p>							
STEP 2			<p>Once the list is complete, mail to Brian's Toys.</p>							
STEP 3			<p>If you use this form, we will confirm your quote within 1-2 business days.</p> <p>If you send us a list but do not use this form, allow 2-4 business days for us to issue you a quote. The price quote will be good for two weeks only. If more than two weeks pass by, then we will need to reconfirm the prices.</p>							
STEP 4			<p>Once you accept the price quote, you will need to ship the items to us. We will allow you to ship your boxes on our UPS account. This will enable you to get our discounted shipping rates which will be deducted from the payment we send you. We will e-mail you further instructions on how to print your UPS labels. You can drop them off with the label(s) attached to any UPS location or UPS Store, or for an extra \$5 charge, UPS can pick up at your home.</p> <p>Once your items arrive, we will then evaluate the shipment. If there are any problems with the shipment, we will adjust the prices accordingly.</p> <p>We will then contact you once more with a final price. If you do not find the price acceptable, we will return the items to you at our expense.</p>							
STEP 5			<p>Upon agreeing to the final price, we will pay by PayPal or mail a check for the final amount. Please allow up to three business days for us to process the check.</p> <p>If you would prefer immediate payment by PayPal, please let us know when you confirm the final price. We can pay by PayPal the same day you confirm. (Please note: Paypal will charge you approximately a 3% processing fee.)</p>

Credibility and Trust

Brian's Toys has been buying, selling, and trading Star Wars, G.I. Joe, Transformers, and other toys and collectibles since 1994. We have over 50,000 satisfied customers in all 50 states and over 80 different countries. We maintain a commercial website, www.brianstoys.com, a free weekly sales email newsletter, and a free weekly buying email newsletter. We publish catalogs 5-6 times per year with a complete listing of our items for sale. We advertise with 1-2 page ads in many different toy publications including the Star Wars Insider, Lee's Toy Review, Tomart's Action Figure Digest, and Toy Fare. We advertise on numerous websites, including galactichunter.com, cloudcity.com, sandtroopers.com, sirstevesguide.com, thejawa.com, yojoe.com, bwtf.com, and many others. Also, Brian Semling, the owner of Brian's Toys, has authored a book published by Beckett, Everything You Need to Know about Star Wars Collectibles, 256 pages, ISBN 1-887432-56-6. Feel free to contact the toy publications or websites to verify our long-standing relationships with these companies. Or contact us for a reference list.

It is our policy not to send out payment until merchandise has been inspected. If you have not dealt with us before and are hesitant to send toys without payment, please feel free to send a test shipment. For instance, if we have offered you over \$2000 for your entire collection, it is okay to send a box worth only \$100 or \$200 (or whatever you feel comfortable with). Once you are familiar with the way we do business, you can send more merchandise.
